| Country: Austria | Place: Leoben | Date: 29.04.2009 |
| No. of participants: Ca. 20 | Organizer: LK Stmk / WVB GmbH | Target group: Farmers, Forest owners, decision makers, |

Title (es. Preliminary workshops):

Technical Workshop Leoben

Topics of the event:

1. Presentation of BTLC project
2. Subsidies and national support schemes
3. Feasibility study

Short summary: (goals, methods, description of the programme)

We organised a technical workshop in Leoben with about 20 participants from the region. The farmers and forest owners are highly motivated to invest in the BLTC Leoben. The main goal of the workshop was to give an overview about legal, technical and trading issues. Experts from Styria gave lectures and discussed with the participants. 3 experts were from company deeply involved in the Austrian Bioenergy market.

Programme:

Welcome and Introduction / Presentation of current BLTC's / Biomassehof Leoben, production of biomass, products, logistik, calculation / Energy contents, heating systems, other energy sources, boilers, chippers / Quality management, storage, drying, production, moisture content
Potential customers in the region – trading strategies / Study tour to Pölstal and Waldstein

Methode: Power Point Presentation, Excel file programme study tour and active discussion
