

**BIOMASSTRADECENTRES EIE/O7/054**

Country: Austria	Place: St. Margarethen/Raab	Date: 22.09.2009
No. of participants: Ca. 20	Organizer: LK Stmk / WVB GmbH	Target group: Farmers, Forest owners, decision makers,

Title (es. Preliminary workshops):

**Technical Workshop St. Margarethen Raab**

Topics of the event:

1. Presentation of BTLC project
2. Subsidies and national support schemes
3. Feasibility study

Short summary: (goals, methods, description of the programme)

We organised a technical workshop in St. Margarethen Raab with about 15 participants from the region. The farmers and forest owners are highly motivated to invest in the BLTC St. Margarethen. The main goal of the workshop was to give an overview about legal, technical and trading issues. Experts from Styria gave lectures and discussed with the participants.

**Programme:**

Welcome and Introduction / Presentation of current BLTC's / Biomassehof St. Margarethen, production of biomass, products, logistik, calculation / Energy contents, heating systems, other energy sources, boilers, chippers / Quality management, storage, drying, production, moisture content  
Potential customers in the region – trading strategies

**Methode:** Power Point Presentation, Excel file programme and active discussion,
